

Logistic information for the I S3Food Matchmaking event + Asturias study visit

1. Introduction

The I S3Food matchmaking event will take place in “La Laboral Ciudad de la Cultura” (La Laboral City of Culture) in Gijón, Asturias (Northwest Spain) on **Wednesday 19th February, 2020** from 8:30 am – 6:00 pm. This document includes information about logistics for the event. Any clarification about logistics just contact local organisers (Roberto Moran, robertomr@asincarc.com, +34 985 74 45 18)

2. ASTURIAS - Getting there and getting around

a. By air - International airport

The Asturias airport (IATA code: OVD) is 14 km from Avilés, **40 km from Gijón** (venue of the event) and 47 km from Oviedo. Address, webpage and contact detail of the airport below:

- **Address:** Santiago del Monte. 33459 Castrillón
- **Phone:** +34 985 12 75 00 - **E-mail:** info@aena.com
<http://www.aena.es/es/aeropuerto-asturias/index.html>

Other possible airports in the neighbour regions: Aeropuerto Seve Ballesteros-Santander (IATA: SDR, distance to Gijón 175 km), Aeropuerto Bilbao (IATA: BIO, distance to Gijón 274 km)

Transfer from the Asturias airport to Gijón city centre

There are several alternatives:

- You could take a **bus** from the airport bus stop that is located just at the right of the exit door. Service is provided by Alsa and you have a service each hour. Tickets could be bought directly in the bus. More information here: <http://www.aena.es/en/asturias-airport/public-transport.html>
- You could also take a **taxi** from the stop situated in front of the exit door. Estimated prices and more info here: <http://www.aena.es/en/asturias-airport/taxi.html>
- If you expect to be a big group we could also check some **shuttle service** we used in the past. Just let us know (email to robertomr@asincarc.com)
- For **renting a car**, you could check in the following link the operating companies: <http://www.aena.es/en/asturias-airport/car-rental.html>

4. Venue of the I S3Food Matchmaking event

The I S3Food matchmaking event will take place in “**La Laboral Ciudad de la Cultura**” (La Laboral City of Culture) in Gijón, Asturias (Northwest Spain). Below the address, location data as well as site webpage and relevant information about this cultural complex of great interest, including artistic and architectural elements considered unique. Moreover, from an innovation point of view it is noteworthy to say that this building is within the ecosystem known as **Gijón Knowledge Mile** covering relevant infrastructures as the University Campus, La Laboral, the Botanical Garden and a relevant Science and Technology Park.

Address La Laboral: Calle Luis Moya Blanco, 261, 33203 Gijón, Asturias

Location data: <https://goo.gl/maps/nKQGR7iqEMghqDJJ6>

La Laboral webpage: <http://www.laboralciudaddelacultura.com/>

More information: See La LABORAL dossier in English share as PDF

Specifically, the event will take place at **Rooms 1 and 2, Floor level, Theater entrance** (indications will be perfectly visible from the main entrance of La Laboral)

Transfer from Gijón city centre to La Laboral City of Culture

Public bus: There are several lines of the public bus service, named EMTUSA (<http://en.bus.gijon.es/>), that connects the city centre and La Laboral building (bus stop: Universidad Laboral; lines 1, 2, 18, destination Hospital de Cabueñes) or close places at walking distance [Botanic Garden (line 26, destination Deva), Funeral parlour (line 10, destination Hospital de Cabueñes). You could check it in the bus lines map (see in the right side; http://en.bus.gijon.es/multimedia_objects/download?object_id=139914&object_type=document) or in each of the lines itinerary (<https://bus.gijon.es/page/146-lineas-y-servicios>). Ticket costs 1,25 € and you buy it directly from the driver entering from the front door

By taxi: request it at your hotel or by phone (+34 985 14 11 11, +34 985 34 66 66)

Local organisers are also planning the booking of a private bus for that event. More information will be provided as soon as it is confirmed.

5. Local organiser contact information

For any doubt, clarification, request about logistical aspects of the event just send an email or give a phone call to the local organiser:

Email: robertomr@asincarc.com

Phone: +34 985 74 45 18

If the question is related to the technical programme, just approach your S3Food local, regional contact point

We hope you enjoy the event and the stay!!
